Theme:
Just for Fun

Introductions:
Triangle and Rectangle

Song of the Week:

5 Little Monkeys

Five little monkey swinging in a tree.
Teasing Mr. Alligator, "Can't catch me!"
Along comes Mr. Alligator, quiet as can be,
And SNAPS that monkey
Right out of that tree.
Continue with.....
Four little monkeys.....
Three little monkeys.....
Two little monkeys.....
One little monkey.....
No more monkeys swinging in the tree!

Art:

Theme related papers will be water colored and painted this week. We will also do some mosaic work and play with play-doh. Papers to reinforce our new shapes triangle and rectangle will be worked on.

Concept:

We will review all we have introduced thus far and work on new shelf jobs to go along with our theme this week and our new shapes triangle and rectangle.

Language:

The flannelboard "5 Little Monkey" will be introduced. We will work on a listening activity called "Clap With Me". Also, "Five Green Speckled Frogs" will be introduced this week.

Motor:

We will have fun learning our body parts and following directions during our "Simon Says" game. The children will learn a few basic exercises; like arm swings, forehead touch, arms up high and squats. More ball play will be worked on with throwing a ball into a basket for eye hand coordination. Weather permitting we will have fun outside on the hill.

Have a great week!
Miss Amanda and Miss Erika
