

Junior Journal

Theme: Pets

Language Arts: The Picture File is full of animals which many of us would like to have as a pet. What types of things do we need to properly take care of a pet? Our Theme Table will provide the answer: *food bowl, pet toys, leashes, grooming supplies.*

Concept: In concept class, we will continue observing our sweet potato plant as it grows. The students will learn more about root systems in an experiment with celery and colored water. Our new shelf jobs will involve counting and matching animals for *Pets* week.

Craft & Writing: We will keep busy learning to print our new letters Gg and Hh, and make handprint crafts for our 2 new letters as well. Watch for paper bag pet puppets to come home this week too!

Motor: Students will participate in crawling relay races and jumping activities this week.

This week, we will discuss which animals are considered good *pets*. We are looking forward to learning all about our family pets. Please send some pet pictures to school for discussion.

Halloween is here! We will be having some ghoulish fun at our parties on Tuesday and Wednesday!!

Happy Halloween!!
