Language:
Safety will be our discussion for this week. Books or videos about safety are welcome. We will also work on the words in story #1; Taffy, Apple, Run and Jump. The letters A-F will also be reviewed this week. Show and tell will be on Friday – items in the shape of triangle or rectangle.

Craft and Writing:
This week the children will work on papers that reinforce our two new shapes triangle and rectangle. The children will also work on their cutting skills by cutting a new cut called the angle cut. They are doing a great job using their scissors.

Concept:

Triangle and rectangle jobs will be added to our shelves this week. The children will be working on an estimation activity using buttons to figure out which pile is bigger, number 1 or number 2. In science, the children will be working on an activity called “why do they float”? Please send an object that floats and an object that sinks, in a baggie with your child’s name on it. We will be working on this activity on Wednesday and Thursday. We will also continue fall patterning this week too.

Motor:

The children will also be doing an obstacle course using the tunnel. This week we will play outside as much as we can, so please make sure your child is dressed appropriately for the weather. We will try to go outside daily, weather permitting.

Student of the Week:

Haddie Radavich

Class Mascot:

Sean Lamon

Happy Birthday:

Max Kreil – October 18th

Reminders:

The weather is cooling down; please make sure that your child is dressed for the weather.

Show and tell is Friday, October 19th – triangle and rectangle

Please make sure that your child is washing their hands after entering their classroom.

Have a good week!!

Twinkle, Twinkle Traffic Light

Twinkle, twinkle traffic light
Shines so bright both day and night
When it’s green, we can go
When it’s red, we stop you know
And when it’s yellow, we go slow.
