Theme: Pumpkins

October 15, 2018

This week the children will learn all about pumpkins and how they grow, look, and feel. We will also discuss how they feel inside.

Have a great week!

Introductions

Letters: Qq & Rr

Expressive Vocabulary

rapid: very quick

quandry: state of being doubtful or uncertain

Important Events

October 17 - Field Trip

October 19 - Music

October 31 - Halloween Party

November 15 - Picture Day

VOTE, VOTE, VOTE

Don't forget to vote for our *Grinch* Scarecrow #5 at the Founders Center in Frankfort or on the Frankfort Park Districts Facebook page.

Craft and Writing

The children will trace and print our new letters and numbers introduced this week. The children will make a pumpkin craft showing what is inside a pumpkin and they will paint and decorate the pumpkin they picked from the pumpkin patch.

Math & Science

In Math this week, we will continue to model and count numbers 8 and 9.

In Science class, the children will be learning about the life cycle of a pumpkin. They will be using a lot of descriptive words as we discuss how pumpkins feel and look. We will do a fun pumpkin volcano experiment too!

Language Arts

The letters Qq and Rr will be introduced this week along with their phonetic sounds. Build-a-word is a new concept the children will continue to learn, using three letter words. We will use our rhyming dust bunnies to help review rhyming words.

Accelerated Pre K Introductions

Letters: Qq & Rr

Numbers: 19 & 20

Story #4 Words: See, Me, jump, Run,
and, me, run

The Accelerated Pre K Children will start working in their math workbooks.
