Halloween

Our Halloween celebrations will be Wednesday, October 31st; if your child does not attend school on Wednesday it will be Tuesday, October 30th. All children may wear their costumes to school on their party day. If they are daycare children please send a change of clothes and we will change them before lunch.

Please take care in choosing costumes; no scary or violent characters please. Every year we are pleased with the care taken when making your costume choices, many of our younger children can be frightened easily, especially by masks; thank you for making their day easier.

If you are sending treats for your child's class remember our food policy-additive and preservative free. **Do not send candy of any kind**, it will need to be returned to you. Fresh fruit, fresh vegetables, and Goldfish are a few suggestions. The safest "Treat" to bring in is a non-edible "treat". Any questions please ask your child's teacher or in the office. Thank you so much for your cooperation.

Fall is Here!

With the change of seasons comes new outerwear. Please make sure all sweaters, coats, jackets and hats are labeled with your child's name. Daycare children will go outside daily (weather permitting). Please do not ask us to keep your child inside. Our policy is "if your child is well enough to attend school he/she is well enough to go outside." The state of Illinois requires children to go outside every day that the temperature is over 20 degrees.

Happy October Birthdays!
