Week #10

Date: Oct. 22 - 26
Theme: Fire Safety
Introductions: 7 & 8, Heart & Star
Bits: Flowers, Dinosaurs
Manners: Review
Vocabulary: Review

Language: In Language class we will have fun talking about the important job of firefighters and their responsibilities. We will continue to review 911. We will have fun with finger plays, such as, "Stop, Look and Listen". We will continue to review our letter and phonic sounds. The children will also continue to review our reading story. We will end the week with music fun.

Concept: Numbers 7 & 8 will be added to the number shelf activities. Heart and star will be added to the shape sorting activity. We will begin rote counting to 25. For Science, we will plant grass seed and then take care of it and wait for it to grow. There will be more fun with estimating and counting and exploring the Halloween sensory table too.

Craft & Writing: This week in Craft & Writing we will learn about fire safety and make a fire truck craft. We will also learn to write the numbers 7 & 8. We will end the week with a Halloween pumpkin craft.

Motor: Since it's picture day this week (M, T or W), we will be having our Motor class indoors to keep the kids looking fresh and daper. Some of the activities we will be playing indoors consist of, hot potato, our follow directions game and we will practice our left from our right. We will also do a ball and wand activity as well. At the end of the week, we will do a hula hoop path and play a toss and catch game as a group.

REMINDER: As an effort to keep our room as germ free as possible, PLEASE be sure to wash your child's hands when coming into school. Please remember to send your child to school in closed toe shoes to help prevent accidents on the playground. Thank you!
