

# The PreK Weekly

Mrs. Karen

Week 9 and 10 10/15 – 26

## Week 9 and 10

The staff attended a “Mini Conference”, on Columbus Day. Many exciting concepts were presented to bring back to our classrooms.

This year we were introduced to STEAM activities.

STEAM stands for:

Science, Technology, Engineering, Art, and Math. Looking forward to teaching some of these new ideas to the children.

The next several weeks we will be talking about safety and what that means at school, at home, and in our communities. We will also discuss “Stanger Danger” and Halloween safety. We will watch the movie “Patch the Pony”. This movie teaches the children about strangers.

## REMINDERS

- October 15 Fire Department Visit
