Concept

On Monday in Concept the children will practice *Counting* during a "Spider-to-Web" number matching activity. Afterwards, they will rescue Halloween characters from "Mr. Spider's" web! Tuesday, another *Counting* game will be played where one or two Halloween items will be *Counted* onto numbered cards. A "Five Little Pumpkins" *Block Center* fence building activity will also be played! Pumpkin *Shape*

Matching will be practiced on Wednesday along with a Halloween *Size Seriation* activity. Thursday **Triangle** and **Rectangle** puzzles will be introduced and those new shapes will also be added to our shape concept "Job" bins. Then on Friday in the **Discovery Zone** the Discover Nature Bin will be explored as the season of "Fall" is discussed. A "Spider to Spout" activity will also be reviewed on Friday.

Language

In Language class this week the theme of **Halloween** continues! **Triangle** and **Rectangle** will be introduced and added to our review board. Fun new *Finger Plays* such as "Three Black Cats," "Five Little Monsters," and "I'm a Little Spider" will be introduced along

with the *Body Plays* "Mr. Pumpkin" and "Sometimes I Like to Walk in the Dark." New *Flannel Board Stories* this week include "Halloween Night" and "Halloween." The *Storytime Books* "Pumpkins, Pumpkins Everywhere," and "Inside the House that Jack Haunted" will also be read.
