Theme: Halloween

Introduce: orange and black

week of October 29

Language Arts: It's almost time for Halloween and we will be getting ready by singing our Halloween songs we have learned: "Roll That Pumpkin" and "Sometimes I like to Walk in the Dark." Let's sit and listen as Mrs. Katelyn and Miss Rachel read some of our favorite Halloween stories. We're going to have a fun time!

Sometimes I Like to Walk in the Dark

Sometimes I like to walk in the dark
I like to shout and SCREAM!
I sneak behind somebody I know
Boo! It's Halloween.

Art: Our new colors we are learning this week are orange and black. Let's practice learning our new colors as we paint and color pictures of pumpkins, spooky black cats and spiders.

Concept: This week we are learning the colors of Halloween; orange and black. We will be adding these colors to our concept shelf. We will also be working on size seriation using pumpkins. Who's ready for a fun week?

Motor: Let's practice our bowling skills as we add orange and black to our block bowling game. Who knows how to jump up and down? We will find out when we jump on the tumbling mat. To celebrate Halloween we have plenty of fun games in store.

Parents: If you would like to send in treats for our Halloween parties there are 13 children in our room. Remember our food policy please; the best treat to send is a non edible treat. Our party will be Wednesday, October 31st. Children are welcome to wear their costumes to school; remember a change of clothes for lunch and nap time.
