

# Two's News

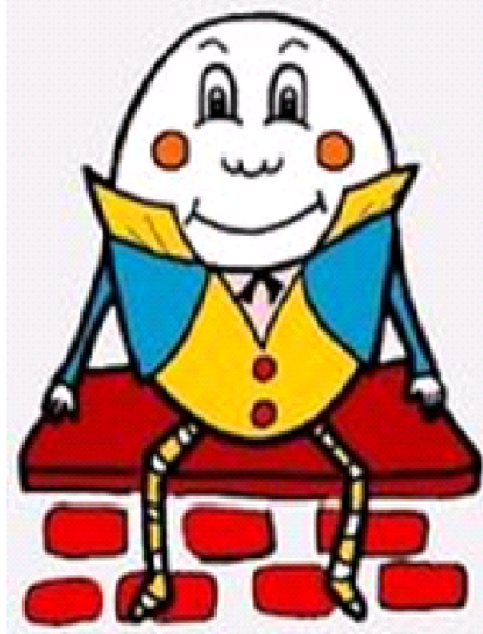

Oct. 15-19

Week 9

Topic: Nursery Rhymes

## Language Arts

Mother Goose has a special place in all our hearts and her rhymes will really come to life this week. The rhyme Little Jack Horner will surely get our fingers wiggling! The children will also be jumping over a candlestick just like Jack Be Nimble. Rhythm sticks and bells will come out at the end of the week when we practice a few new listening activities.

## Craft and Writing

Mrs. Nicole has some exciting things planned for this week! We will explore different media to create our own Nursery Rhymes. Mrs. Nicole will show the children how to paint at the easel. The children will continue to work with pencils.

## Concept

The children will have the opportunity to explore puzzles during classtime. Group time will focus on understanding sizes: big, medium and small. The oldest homeroom has been doing an excellent job counting to 10, we are now ready to try up to 15. The younger two groups will continue clapping along with me as we count to 10.

A big

**T**hank You

to all who attended our Parent Dinners.

## Motor

Outside exercise is always enjoyed on our pleasant fall days. In case of rain, tunnel play and the balance beam will help create an obstacle course.

## What's New This Week

Manners:

Say "please"

Bits of Intelligence:

Insects

Introduce: Run, Jump
