October 29 – November 2, 2018

Theme:
Fire Safety / Halloween

Introductions:
Letters Kk and Ll
Oval and Rhombus

Language:

We will be talking about fire safety this week. Please help us with our theme by bringing books, toys or pictures, etc. Letters Kk and Ll along with their phonetic sounds will be worked on this week. Show-n-tell is **WEDNESDAY!!** Please bring in 1 item for each letter. New flannel board stories will be done to reinforce our theme of Fire Safety and Halloween. We will also play pumpkin memory to help review our letters and phonics.

Concept:

In concept time the letters Kk and Ll will be introduced with new shelf jobs along with our two new shapes oval and rhombus. We will also work on graphing, comparing and sorting. For a group activity, we will be focusing on the concepts; “can you tell me?” and “what comes next?”

Craft & Writing:

This week we will be working on tracing, printing and coloring papers that will reinforce our two new letters Kk and Ll. We will also have a matching and a following direction paper to introduce oval and rhombus. Our theme of *Fire Safety* will be reinforced with a coloring paper and a firefighter art project. Also, keep a look out for some spooktacular art projects!

Motor:

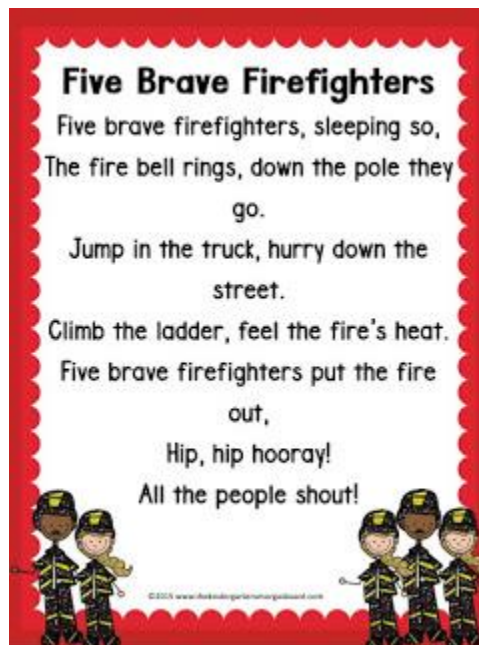

To go along with our theme of fire safety, the children will be doing a following directions activity using a color ladder and we will be practicing how to do **Stop, Drop, and Roll**. If the weather permits, we will also go outside for a relay race using the hula hoops, balance beam and tunnel.

Student of the week:
Charlotte Fideli

Happy Birthday:
