

Pre-K Newsletter

Week 10 Oct. 22 - 26

Theme: Safety & Firefighters

Language Arts

During our firefighter and safety week Ms. Melissa's discussions will center around the many duties of firefighters. She will talk about such things as equipment used and the various types of fire trucks. The letters A-J will be reviewed.

Craft and Writing

Our readiness papers will review our letters and numbers introduced thus far. This week Mrs. Melissa will also focus on introducing our new numbers 9 and 10.

Introductions: 9 & 10 Story #4 : See, Me
Manners: Say "I'm Sorry" and Do not cut in line
Expressive vocab: Improvise- to make up and perform without planning before hand
Jeopardy- the danger of loss or injury

Firemen Save the Day!

Concept

This week Mrs. Ann's class will continue counting and clapping to the number 30. To keep us busy we have several estimation activities planned. The class will enjoy guessing what items are missing from various groups of objects. We will also sort and measure pumpkins.

Special Thanks
to Mrs. Wisniewski
for teaching the
children about
police safety.

Motor

We will begin each morning with a following directions game. We continue to practice walking on the balance beam and stairs wearing a fireman hat. Eye-hand coordination skills will be put to the test as the children work with the ball and wand and practice catching a ball. The students will enjoy a CD that has the children pretending to put out a fire. Weather permitting we hope to get in plenty of outdoor play!

School Photos are Nov. 6th and 7th. Picture envelopes are due prior to picture day.
Pre-Pay by November 5th.
