We will be exercising this week. The balance beam, parachute and the rocking boat will also be added to our motor fun. We will also go outside to jump in the leaves (weather permitting).

Papers to review the colors that we learned and to go along with our theme this week will be worked on. The children will paint, mosaic and color them. Shaving cream and play-doh will be added to the fun. We will also learn the number 1 with readiness papers.

Concept:

The number one will be introduced this week along with our theme of fall. All concepts introduced already will be reviewed. Also, we will go outside on a nature walk and collect leaves to make a science bin.
