

All School News

This week we are celebrating the First Thanksgiving. The Nursery, Junior and Pre K students have been making headdresses and Native American necklaces and our Kindergarten and Accelerated Pre K have made Pilgrim hats to wear at our feasts on Tuesday and Wednesday.

We will share many festive songs and a special treat, including cornbread and home-made butter, which we all will have a turn in making.

On behalf of our entire Bobbie Noonan Staff, we wish everyone a very happy and healthy Thanksgiving!
