Finger Play of the Week:

Finger Family

This is the mother, nice as can be.
This is the father, the tallest is he.
This is the brother, he's growing up tall.
Here's the grandma and grandpa and I love them all.

Language:

The children will listen to stories about families and a flannel board story called "Family, Family What Do You See?"

Craft:

We will explore with finger paint by creating our own picture of our family. We will also work on making a collage of different families.

Motor:

For motor the children will be working on their own individual needs.

Reminders:

Please bring in a family photo to share with the class.

Have A Great Week!
Mrs. Chrissy
