

BOBBIE NOONAN'S CHILD CARE

Junior's News

November 26 – 30, 2018

Theme: Families/Festivals

Introductions: Numbers: 9 and 10

Bits: Mammals

Vocabulary: omit – to leave out

Manners: “Talk with an empty mouth” and “Eat with your fork or spoon”

Proverb: “Do unto others as you would have them do to you”

LANGUAGE ARTS: We will continue to work on stories #1 and #2. Please review Reading Vocabulary; Taffy, Apple, Run, run, Jump and jump continues this week. Reviewing these words at home helps your child master their reading skills. Please bring books about Christmas. You are welcome to write something down about your holiday traditions to share with us and pictures of holiday traditions are also welcome.

CRAFT AND WRITING: We will work on tracing our two new numbers; 9 and 10, along with tracing their names. Working with scissors will help develop our fine motor skills.

CONCEPT: The numbers 9 and 10 will be added to the shelf activities this week. In Science, the children will be using the sand table. The sand will have water added so the children can enjoy building castles and using sand molds. The children are doing a great job with numbers; we will still continue to work on number recognition with the numbers 11-20, and practice rote counting.

MOTOR: The stair steps and ball and wand will help develop our eye/foot and eye/hand coordination. Weather permitting, we will go outside, so please make sure your child is dressed properly for the weather each day.

POEM OF THE WEEK:

“December”

All the months go past. Each is like a guest.
December is the last. December is the best.
Each has lovely things. Each one is a friend.
But December brings the holidays at the end.
