

Miss Millham's Kindergarten and Accelerated Pre K News

THEME: Animals in the Winter

November 26 thru December 7, 2018

This week will start a two week unit on Winter Animals. The children will learn about animals that hibernate, migrate, and stay active during the winter.

Have a super week!!

Craft and Writing

The Kindergarten children will print the letters Aa and Bb, and words that start with these letters on lined paper. The craft for the week will be a bear hibernating in a cave.

Math

In Math, the children will learn about ordinal numbers using gingerbread man cards. They will also learn about fractions. A whole and a half fraction will be introduced first.

Language Arts

We will use the letters Aa and Bb to make a word chart. The Kindergarten children will start reading 5 paper stories each week so that they can finish up the series before Christmas break. Build-a-word and Build-a-sentence will also be reviewed this week.

Science

We will study the weather and how it differs in our country. The students will learn all about the different types of clouds and be introduced to different weather words.

Kindergarten Sight Words

on, little, school, bus, Color, With, under, sit, We, Smiles, are

Accelerated Pre K
