Language Arts:

We are finishing up the alphabet with W,X,Y,Z and we will focus on the phonetic sounds of these letters as well as the correct printing too. An alphabet connect the dots and color by numbers will be completed as well. A Pilgrim picture story and a book of Thanksgiving words will help us get in the spirit of Thanksgiving. We will be working on opposite words, rhyming words, and word families as well. We will continue working on sight words and reading stories as well.

The children are doing so well.

Math:

The children are enjoying addition and are becoming quite proficient with this skill. We will work with the concepts of empty and full and many and few. I will continue to work on telling time. Each child will have a small clock to practice with. Telling time is a big hit. Most of the children can tell time on the hour. Addition is a favorite math activity that will be reinforced this week, as well as greater than and less than. A

turkey dinner graphing activity is planned. We will also be working on positional words.

Social Studies:

The children will enjoy learning about the Plains, River, Woodland and Pueblo Native Americans. We will be working on Thanksgiving crafts these next few weeks. If anyone would like to share books about Native Americans, Pilgrims or Thanksgiving feel free to bring them in.

- Introductions:

Letters:

Ww, Xx, Yy and Zz

Telling Time

Opposite Words
