It's almost SHOWTIME!!!
Saturday, December 15th at 11:30am
Prairie Junior High School

We ask that all children arrive no later than 11:15

Language Arts

We continue to backtrack with our letters, this time focusing on sharpening up our printing skills. At this time we will begin using printing paper on a regular basis. The children will begin to write both their first and last names on their papers as most have been doing for a week review.

We will focus on the silent e rule this week.

New word wall words:
Down, little, love, next, pink

Concept

All of the children are welcome to bring in a picture of their pet(s) this week. I will lead the children in a discussion about various types of pets as well as their importance to man.

The concept of greater than and less than will be reinforced this week. This symbol resembles an arrow, the large end opening to the larger number, the small end points to the smaller number. We also continue to review our addition facts. We will practice subtraction facts as well.

December Dates
