

**Bobbie Noonan's Child Care
Tinley II
Pre-K News
November 26 - 30, 2018**

Theme:
Families

Introductions:
Numbers 13 & 14
Story #5

Reading Words:
I, Can, can

Language:

Please help us with our theme by bringing a family picture for your child to share with the class.

As always, our daily review will consist of the letters Aa-Ii, their phonetic sounds, reading stories and rhyming words. The children will learn a new flannel board about feelings and we have an activity called "I look Like This".

Craft and Writing:

This week we will work on counting, tracing and printing the numbers 13 & 14. We will also be working on a maze paper and a matching paper. The children will also draw their family and work on printing their name.

Concept:

In concept time we will add the numbers 13 & 14 to our shelf time activities along with a dollhouse flannel board to review our theme. We will have a new group activity called "Which one do you hear?" The children will close their eyes, listen to different sounds and figure out which one made the sound. We will also discuss and compare weights of different objects.

Motor:

The children will be using blocks and a jump rope for a path following activity and will also use the parachute.

Student of the Week:

Mia Ojeda

Reminders:

Have you checked your child's extra clothes lately?? With the colder weather here, please make sure that they have a pair of pants, shirt, socks and underwear.

Please bring in one **NON-BREAKABLE** ornament to help decorate our classroom tree. Be sure your child's name is on the ornament so it can be returned!

Mrs. Chrissy and Mrs. Jen
