Language Arts- The children will enjoy listening to some Thanksgiving stories and a group discussion will help the children understand the hardships the Pilgrims faced. We will also talk about Native Americans Indians, the first Thanksgiving, tell what we are thankful for and have a Pow Wow celebration.

Concept- Students will work on sorting by shapes and colors this week. For our group activity we will play “ what is missing” and “ what did you hear”. Also, the children will do several counting and estimation activities.

Please have your child bring in an item that is Thanksgiving related to add to our science table.

Craft and Writing- The children will be coloring pictures of Pilgrims and Native Americans. Also, along with coloring pictures, they will be making a Thanksgiving table.
