Theme:
Family

Introduction:
Triangle

Language:

This week we will be talking about our families! We will enjoy learning about a new shape as well. We will read stories about families and look at some flannel board stories as well. We will also learn about the new shape.

- If you have a picture of your family, feel free to bring it in. We will be showing our friends our family pictures and then we will hang them up.

Motor:

This week we will create an obstacle course to help review our shapes and colors we have learned so far and to help develop our gross motor skills.

Concept:

The children will be introduced to the new shape triangle this week. We will add the triangle to our shelf jobs to help us learn our new shape.

Craft:

This week the children will work on papers to reinforce the shape triangle and we will create projects that talk about families.

Have a great week!
Miss Kristina
