Week 12 November 5th–9th, 2018

Theme: Special Friends

Language Arts:

Making special friendships is very important in our classroom! This week we will be introduced to a few special friends like Mickey Mouse, Elmo and Big Bird. We will enjoy reading books about sharing and how to use good manners with friends. We will also sing our favorite class songs and use instruments.

Concept

“It’s the Mickey Mouse Clubhouse come inside it’s fun inside.” The children will have a ton of fun with Mickey and friends as they do a seriation activity. Also, the children will

practice their pouring technique as they play with the water table. The children will also enjoy playing with weather sensory bottles.

Craft and Writing:

Our little artists will use paint brushes to water color throughout the week, and explore play dough building. What will we create? We will also create a very special sesame street craft!

Motor

The children will have fun as they play a movement game with our new action words and also a line walking game. We will enjoy a Minnie Mouse bean bag toss game as review.
