

Nursery News

Week 13 November 12th-16th, 2018

Theme: Family

Language Arts:

Families are all different, and each are unique in their own way. Families are also very special to each and every one of us. Throughout the week we will learn about the importance of love and family. We will explore many songs and books that teach us about being kind to one another and being helpful. Our featured songs are "Families Are All Different," and "My Family." Please bring in a family picture to share during class time!

Motor:

The children will love to sing along and play to some favorite dances like Ring Around the Rosie, Hokey Pokey, and Head, Shoulders, Knees and Toes. These are just a few examples of songs that they can learn and take home to play with their families. If the weather permits we will continue to have some fun outside time.

Concept:

Families are people who care about you. My family is special and your family is too! The children will enjoy this theme as we talk about their family. The children can bring a picture of their family to share

with the class. We will have mystery bags and the children will have a chance to guess what item is in the bag.

Art and Craft:

We will explore two new colors purple and brown this week. We will finger paint and use collage materials as we discover these colors. We will also create a special family craft.
