

Nursery News

Week 15 & 16 November 26th – 30th & December 3rd-7th, 2018

Theme: Community Helpers

Language Arts:

When you grow up you could be a police officer, veterinarian, doctor, chef, or even a farmer! The possibilities are endless! Throughout the next two weeks, we will explore a variety of important careers. Our featured flannel board stories are “workers”, and “Five Little Farmers”. We will also learn a new listening activity called “Stop Your Feet”.

Motor:

The children will be amused as they pretend that they are riding the fire truck and police car for motor time. The children

will also have fun as they stop, drop and roll on the tumbling mat as they pretend that they are firefighters.

Concept

“Someday soon when I grow up, I’ll have a job to do, I’ll write a book or be a cook or work inside a zoo!” The children will learn about different careers and talk about what they would like to be when they

grow up. Playing a mailbox review game will be a lot of fun as the children pretend to work as a mail carrier. The children will have fun matching community helper items.

Craft and Writing:

Would you like to be an artist when you grow up? Over the next two weeks we will show off our creativity as we create a special career craft each day of the week. We will also pretend to be construction workers as we construct objects out of playdough.
