

# Toddler Times

Week 15 & 16 November 26th - 30th & December 3rd-7th, 2018  
Theme: Community Helpers

## Language Arts:

Working together and being helpful to one another makes a good community. Throughout the next two weeks, our class will discover a variety of different careers and learn about helpers in our community. For example, we will introduce a firefighter, doctor, chef, dentist, teacher, and police officer.

## Motor:

In the next two weeks our class will let their imagination grow as we learn about community helpers while playing. Some examples will be pretending to be police officers, while playing the stop and go game. Our class will also learn how to roll while learning fire safety skills. We will also practice our building and kicking skill while pretending to be construction workers.

## Concept

We will explore fun careers by doing some matching activities. We will also enjoy our job shelves to review our shapes and colors.

## Craft and Writing:

Our class will be using fun objects to create art. We will do some brush painting, sponge painting, and ball painting to create some unique crafts.
