

Two's News

Week 12 Nov. 5-9 Theme: Special Friends

Bits of Intelligence:

Insects

Introduce: Bb

Vocab: Brisk; quick,
lively

Craft and Writing

Mrs. Nicole will have many special friends in her room. Some of our favorite Disney friends will be painted and crafted. Play-doh and fringe cutting will strengthen our fine motor coordination. We will also have fun with our new letter Bb.

Language Arts

The children will enjoy many special friends this week. Some include...Elmo, Cookie Monster and Mickey Mouse. Mrs. Christine has an activity planned that requires the children to use their "listening ears". We will also play musical instruments to some of our favorite Disney tunes.

Concept

This week we will sort big/little as well as long/short. Our blocks will help us understand these concepts better as we build big and little homes for our special friends. The lego table will help the children learn to work together to build towers and sort colors.

Motor

Our highlight activity will get the children's legs marching around our school.

Reminders:

Picture Day Nov. 6 & 7

**Thank you to our Parents
who helped out at our
Halloween Party.**
