

# Two's News

November 26th-30th

Week 15 Theme: Family

Bits of Intelligence: butterflies/Moths

Introductions: 3 & 4

## Language Arts

Mrs. Christine is very anxious to get the week started. She can't wait to teach the children all about families. She will discuss the many things families do together and how our families love and take care of us. The children will learn many new fingerplays, one favorite is "Finger Families".

## Concept Class

Ms. Sara is going to introduce a new activity that's sure to be a favorite, washing baby dolls in the water table. Blocks will be incorporated into group activity time. The children will build block houses for their toy "families". Ms. Sara is very excited to introduce numbers 3 & 4. We will have fun counting family members.

## Craft and Writing

Mrs. Nicole has 3 and 4 papers on the agenda for this week. Cutting skills are sure to get lots of practice as Mrs. Nicole brings out play-doh and play-doh scissors.
