

Junior Journal

Week 12 November 5th-9th, 2018

Theme: Pets

Language Arts:

Adorable, hairy, brisk, loud, and swift are some of the words we will use to describe our pets. The kids will listen to some fun pet books and pet songs such as: how much is that doggy in the window and do your ears hang low. They will learn about how to care for them through a few pet body plays. **Please send a photo of your family pet(s) for your child to share with the class.**

Motor:

The children will enjoy playing pet charades! They will each get a turn to pick out an animal card, allowing their friends to call out the pet they were pretending to be. Please pack light jackets and sweaters as we enjoy the seasonal changes on the playground!

Concept

Dogs, cats, and fish, oh my! The students will be graphing their favorite pets! We will compare different types of pets as well as look at animal care

items. Working animals and animal hospitals will also be introduced.

Craft and Writing:

The children will enjoy creating their favorite pet. They will continue practicing using scissors for curve cutting and tracing their names. We will also begin a Thanksgiving art board!
