Language Arts:

Do you hear what I hear? The Pre-K students singing carols so merrily in preparation for our program! **Please send in a photo of your family for your child to proudly share with their classmates** as we discuss our families and favorite celebrations! We will enjoy listening to many great stories about different types of families and some seasonal favorites.

Motor:

Indoor paths, yoga, bean bags, and hop scotch, oh my! As the weather gets colder, we're finding more creative ways to move around indoors. Please make sure to send your child in a warm coat because we will still go outside weather permitting.
