Dec. 3-7

Topic - Families

Week 16

Language Arts

This week we will begin our discussion about the different holidays that families may celebrate during December. Our two new letters, Mm and Nn, have been added to our phonics board. We continue to practice our songs for our Christmas Program.

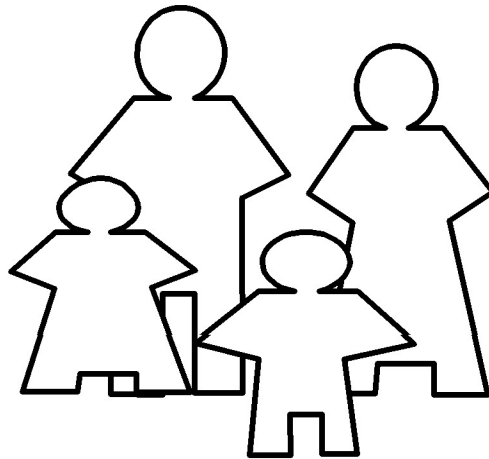

Motor

Mrs. Cheryl will continue to demonstrate the correct way to do log rolls, crawls, and the crab walk on the tumbling mat. Weather permitting, the children will go outside. To get in the Christmas spirit, the students will gallop like reindeer, float and twirl like snow-flakes falling and go sledding on our scooter.

*Christmas Break
Dec. 24-Jan. 1
No pre-school
We will close at
3:00 on Christmas and
New Year's Eve.*

Concept

Mrs. Ann's class will be bursting with activity this week! We will begin the week with a matching activity that will require the children to not only arrange numbered cards in the appropriate order but to match corresponding groups of objects to the cards. In the tactile bag this week, the children will feel for such things as an apple, potato, ball and an orange. At the weeks end we will weigh various objects on a balance scale and estimate which object is heavier.

*Thank you to everyone
that sent in a family picture.*

Craft & Writing

The children will learn to print letters Mm and Nn. Star and Pentagon will be introduced through tracing. We continue to work on our phonics papers and will enjoy some play doh fun.

Reminders, etc.

***Our Christmas program will
be held on Saturday,
December 15th at 10:30 a.m
Friends and family are
welcome to attend.***

*Our Christmas tree is ready for
decorations! If you would like to
donate a non-breakable ornament in
your family's name, please feel free.*

*If you would like it
returned please let us know.*
