

**Bobbie Noonan's Child Care
Tinley II
Toddler News
January 2 – 11, 2019**

Theme:
Winter

Introductions:
Letter Bb

Language:
During these two weeks we will talk about winter. We will learn about what happens when it turns cold. We will also be learning the letter Bb and the sounds it makes. We are excited to read some winter stories and sing some flannel boards!

Motor:
We will be using the rocking boat to pretend we are sleighing. We will review all of our colors, shapes and letters that we learned by using the rocking boat and stair steps.

Concept:
We will continue to work on our shelf jobs to help us learn our new letter Bb.

Craft & Writing:
We will be creating some fun art projects to show what we learned about winter. We will also work on papers to reinforce the new letter Bb.

Reminders:

We do go outside in the winter weather as long as the wind chill is 30 degrees or above. Please make sure your child has all their winter gear to go outside.

Please remember to sign in and sign out your child daily!! We have had many parents forgetting to do this!! This is a DCFS requirement and it is also how we account for what children are in our care each day.

Have a good week!
Miss Kristina
