**Language Arts:** With the holidays behind us, we now can focus on the fun we can have during the winter months. The flannel board story, "I am a Snowman," is always a favorite, and "Five Little Snowmen" reinforces our counting skills. The finger play, "Snowflake", will help us develop this fine motor skill.

**Concept:** We will be reviewing concepts that have already been introduced. The group activity will be a lot of fun. We will add snowmen and snowflakes to our shelf jobs as well. Ice cube and snow (if possible) will be fun in our water table.

**Craft & Writing:** During this week, we will make some fun winter crafts to help decorate our classroom. Snowmen and snowflakes will give our classroom a wintery feel.

**Motor:** Eye/hand coordination, as well as color matching, is enhanced during a game of color bean bag toss and bowling. An active review of our letters and numbers will also take place.
