Language Arts:

Welcome winter! As we explore our new theme, our class will be introduced to the flannel board stories "Ten Little Snowflakes," "I'm a Little Snowman," and "Six Little Penguins". We will also learn to sing new songs and use musical instruments. For example, our class will learn "If You Want To Be A Polar Animal", "It Is Snowing", and "Snowflake on my Nose". Get ready to make some fun music!

Motor:

Winter is here! To stay in shape, we will have a relay race and have fun doing some exciting exercises. The children will play two new games of "snowman slam" and "snowball sweeping".

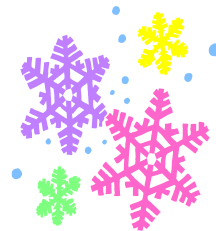

Concept

We will discuss winter and the changes that we will begin to see outside. We will also discuss the clothing that we wear to stay warm! The children will get to explore with snow slime and ice melting. The children will also

enjoy a fun winter sensory table.

Craft and Writing:

Do you want to build a snowman? Our class will be exploring shaving cream and building with play dough. We will create some special winter works of art throughout the next two weeks.

Introductions:

Letters: C, c

Review: All that we have learned so far
