

Junior Journal

Theme: Arctic Animals/Winter
Week 20: January 2nd– January 4th, 2019

Language:

"Up in the Arctic where it is cold, there are creatures to behold..." Watch out for these new arctic animals coming your way! It's winter time so we'll huddle inside with some good reads about these special arctic animals and the winter season. We will also have some fun learning two new shapes.

Art:

Let's have some "snow" fun as we get our hands in some fluffy shaving cream. We will be tackling the new year with some good old snow fun.

Concept:

Penguins, polar bears, and seals, oh my! We will have fun counting, sorting, and patterning these arctic animals! The class will also feed the polar bears the correct amount of fish that correspond to their number. Ice water fishing will also be available in the water table.

Motor:

The children will enjoy taking turns rowing our boat. When they arrive at our destination they will enjoy glacier hopping, igloo building, and snowman bowling.

Notes To Parent's:

- Happy New Year! Welcome Back! Don't forget to send outerwear with your child because we will go outside if the temperature is above 25 degrees.
- Registration for summer 2019 and school year 2019-2020 begins Monday, January 14th.
- Show and tell is on Wednesday, January 2nd and Thursday, January 3rd.

Have a great Week
