

# TWO'S NEWS

Week 17

December 10-14

Theme: Christmas

Worth

## Language Arts

Santa's elves will pay us a visit in a flannelboard story, as the children learn who makes the toys for Christmas. Fingerplays we are learning include "I'm a Little Christmas Tree" and "Christmas Snowmen". The children will use their listening skills in a new game called "Ring the Bells." Mrs. Christine will bring out the bells for the children to shake during "Jingle Bells."

## Concept

Miss Sara has some new Christmas shelf jobs to introduce. Shelf jobs will include: matching gingerbread men and matching Christmas trees. The science table will be filled with Christmas items for the children to explore.

## Craft & Writing

A special group project will be painted and decorated this week. The children will cut Play-doh to help reinforce proper cutting skills. Christmas projects will be created to help decorate your home. Special Christmas gifts will get started this week. The children will also create their favorite reindeer. How many will choose Rudolph?
