Weeks 17 & 18 December 10th-14th & 17th-21st, 2018

Theme: Christmas

Language Arts:

Let's get into the Christmas spirit this week. A Christmas poem will be read as well as several enjoyable Christmas stories. The children will learn about other December holidays, such as Kwanzaa and Hanukkah.

Motor:

The children will be having fun doing Christmas activities with CDs. We will also be enjoying some Christmas games along with

playing hot potato.

Concept

The children will be working on reviewing all concepts taught so far. In class, our group activities will be the tactile bag and a compare and contrast activity. We are still learning about celebrations in other countries and will be comparing them to how we celebrate.

Craft and Writing:

Christmas is around the corner...the children have been working very hard at making some great gifts and also working on the Christmas bags for our parties. Watch out for these gifts to come home but don't open it until Christmas!
