

Junior Journal

Theme: Community & Careers

Language Arts: Our picture file will illustrate jobs and places in the community. We will continue to play our riddle game, for example: "Where would I go if I needed a book?"

Concept: We will be matching different jobs with their workers, and discussing what careers we'd like to have when we grow up. To strengthen fine motor skills, lacing will be reinforced. The water table will be put to good use this week.

Craft & Writing: We will make a mosaic with the letters M & N, and practice cutting a curved line. Also, to enhance our new letters, we will create a *mouse* and a *nest*.

Motor: Bean bag toss will develop our gross motor skills. We will have fun rocking in the row boat with a friend as well.
