

Kindergarten

Theme: Community Helpers
Week 24: Jan. 28-Feb. 1

Dear Parents,

Welcome to community helpers week. At this time we urge our parents to share their knowledge and talents with the children. Parents whose occupations coincide with some aspects of community service are welcome to come in and chat with the children this week. We know that many of you are quite busy, but perhaps you would be willing to spend 15 minutes or so with us. Please call the office if you are interested. The estimation jar will be going home with your child this week or the next. Fill it with anything you can think of and we will try to guess how many are in there! Be creative!!

Language Arts

This week we will continue to work on digraphs (ch, sh, ph, kn, wh, th.) We will also review silent e and the relationship of two vowels together in a word. (The first one does the talking, the second does the walking.) We will continue to work on blends. New word wall words: where, who, white, why, with.

Concept:

Keep an eye on your wallets Moms and Dads as we begin to learn about money this week. The children are experts at counting by ones and fives, so we'll begin with pennies and nickels. We have been busy little beavers this new year! We will take some time this week and review concepts that have been introduced. (subtraction, time, pennies, nickels and hundreds place value.)

Report Cards

**** Watch for report cards to arrive home before Conferences.**

Reminder

No Kindergarten classes on Mon, Feb 18th (9:00-12:00) due to Parent Teacher Conferences. We are open for daycare and extended care only.

What's New

Vocabulary: ultimate- coming to the end; final

**unique- not having an equal;
one of a
kind.**

**Manners: Ask before you borrow,
Proverb: April showers bring May flowers.**

The 100th day celebration was a huge success! We had a great time!
