

Nursery News

Language Arts: Transportation is a big word for our little friends. We will explore the many modes of transportation we use through story books, finger plays, and music. Our puppets will help us take a ride on the bus while singing an all time favorite, "The Wheels on the Bus".

Concept: During this week, we will be putting the right form of transportation with its property. An example of this is: *boat/water*. We will be matching cars to their right size garage. Our new shape will be added to our shelf jobs.

Craft & Writing: Painting a stop sign will reinforce our new shape *octagon*. We will also make muddy tracks to drive our cars on and color other transportation pictures to reinforce our theme.

Motor: We will be getting our exercise this week! Push-ups and toe-touching will be introduced. Our bean bags will be used to help differentiate color and size. The balance beam and stair step will be used as well.

January 21, 2019

Theme: Transportation

This week we will begin discussing the different ways of getting from one place to another.

Mrs. Michelle will be here for music time on Friday.

Mrs. Cheryl, Ms. Vickie, Mrs. Joanie, and Miss. Michelle

Introductions

octagon

VOCABULARY WORDS

Come & Go
