Language Arts:

These next two weeks we will be talking about our community and those who work, live and play in it. The children will have the opportunity to tell the class what they would like to be when they grow up. The children will enjoy using their instruments and showing off their musical talents.

Motor:

We will bring out the balance beam for some balancing fun and practice making baskets through a hoop.

Concept

We will review all of our numbers that have been introduced so far this year. The tactile bag will have new items in it. We will work on lacing and doing comparing/contrasting of different items. We will also make a graph about community jobs.

Craft and Writing:

We have been doing such a great job with printing our names, that several of our friends can even write their whole name! We have some cute Valentine's day projects that will be working on the days of the parties. We will start focusing on position words such as: besides, across and under. Our cutting skills will be put to the test these next two weeks.

Don't forget to bring in your Valentine's Day box for our party. Thanks!!!!

Introductions:

- Letters: Ww, Xx, Yy & Zz
- Numbers: 11, 12, 13 & 14
- Shapes: Pentagon
- Counting by 10's
- Bits of Intelligence: Masterpieces
