Healthy Kids. Doctors. Dentists and Nurses

We will add Y and Z to the alphabet board.

Our discussions of ways to stay healthy will continue, with focus on which professionals help to keep us healthy.

Have a great week!

Ms. Paula, Mrs. Karen, Mrs. Amanda, Mrs. Cathy, and Mrs. Susan

**Concept:**

Following the Nutritional Guidelines of "My Plate," our class will sort and classify food groups and put together healthy plates of food. The *What's Missing* game, using health and nutrition items, tests our memory skills as well.

**Language Arts:**

What makes us healthy children? A discussion on nutrition and exercise will continue this week. Our last two letters will be added to phonics board. We will play *What Do You Hear?* and sing many Valentine songs.

**Craft and Writing:**

Letters Yy and Zz printing and phonics papers will be completed this week. The children will also practice first and last name printing. Letter placement on lined paper will be reinforced. A melting snowman will be created.

**Motor:**

Let's score a goal for healthy exercising! Indoor soccer will be part of our lesson this week. We will learn the last two signs for our alphabet.
