STEAM

Ahead

Join us for a summer filled with STEAM: Science, Technology, Engineering, Art and Math.

Are you looking for a fun filled summer camp for ages 22 months to 7 years old? Well, look no further! Our summer program offers a variety of fun activities focused around a new theme each week. Each theme incorporates the STEAM educational approach to learning.

Join us for 8 weeks of fun and adventure.

Additional activities include special presenters, sprinkler days, plenty of outdoor play, cooking, creative arts and much more. So come learn, grow, explore, and get creative with the experienced staff here at Bobbie Noonan's this summer!

Camp begins June 17th thru August 9th

Register now!
