Weeks 23 & 24 January 21st-January 25th & January 28th-February 1st, 2019
Theme: Transportation I and II

Language Arts:

Let's chug-a lug like a boat, zoom like an airplane, rumble like a truck, and chug like a train as we explore the many exciting ways of transportation. Throughout the next two weeks, our class will learn about transportation songs as well as a few flannel board stories. Our featured songs are "I'm a Choo Choo Train", and "Five Flying Airplanes". Get ready to blast into a fun and exciting two weeks of learning!

Motor:

"Vroom, Vroom, Vroom"
The kids will have fun transporting vehicles

while crawling through the tunnel. They will enjoy learning the words "come" and "go" with an exciting action word game on the tumbling mat. The kids will also enjoy a free equipment time using riding toys and the rocking boat.

Concept

During these next two weeks, the kids will enjoy discovering dif-

ferent forms of transportation around town and in the water. We will also do a one to one correspondence activity with trucks, cars, airplanes, and boats. We will have fun playing a transportation matching game and a dump truck counting game. Playing with trucks in our sensory bins will also be tons of fun!

Craft and Writing:

All aboard the creative train of learning! Our little artists will be creating a colorful race car craft as well as exploring other mediums to create fun art. We will also construct with play dough throughout these two weeks.
