

# Toddler Times

Weeks 23 & 24 January 21st–January 25th & January 28th–February 1st, 2019  
Theme: Transportation I & II

## Language Arts:

All aboard! Let's chug down the tracks to learn about the many types of transportation. Over the next two weeks, we will explore the theme of transportation. We will learn fun and exciting songs about cars, trucks, trains, airplanes, boats, bicycles, and motorcycles. We will also read several books about this topic and learn flannel board stories.

## Concept

Will the boat sink or float? This activity will be done using our water table. We will also do a fun matching game where we will match color and size cars to the garage. We will practice counting with our cars.

## Craft and Writing:

The next two weeks we will be learning about different types of transportation. We will be using different mediums to create transportation crafts.

## Motor:

Join us for a fun movement game as we march all around the room. We will also pretend to be boats going under the bridge as we crawl through our tunnel. We will play a traffic light game by learning to stop with red and go with green.
