Week #22-23 Healthy Kids/Nutrition/Doctors/Nurses

Bobbie Noonan's Preschool –Tinley 1 Jan 14 – Jan 25th 2019

Our theme for the next two weeks will be centered on nutrition and exercise. We will be discussing making good food choices and how we can keep our bodies moving during the winter months.

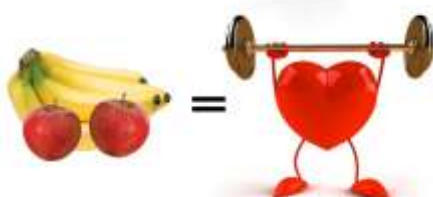

Look for our **Facebook** Challenge to be coming home. This year our challenge theme is Snowmen. We believe each of our students is different and unique just like a snowflake. A special project will be sent home soon to be completed by each student. Please return the project and we will build a snowman from the unique and creative snowflakes. The photo of our Snowman will be posted on Bobbie Noonan's Facebook page. The school with the most "LIKES" on will win a prize for their center. The challenge will be posted February 11th to February 15th. Please "LIKE" and share our Facebook page with all family and friends. Thank you for participating!

Language Arts – As we are near the end of the alphabet the letters Ww and Xx will be introduced and the phonetic sounds. Our discussions will continue on healthy eating, exercise, as well as doctors, nurses, and the dentist. We will be practicing our sign language also.

Motor- Hula hoops and basic stretching exercises

Concept – The class will also practice rote counting 1-20 both forward and backwards. The Brown Stairs will be presented as a new shelf job. The heart shape will be introduced.

Craft and Writing- We are building a food pyramid in class. Please have your child bring in a few pictures of food to add to our pyramid. Our papers this week will include printing Ww and Xx. We will be creating a healthy plate of food. We will be making our own pancakes for snack this week!
