

# JUNIOR JOURNAL

Bobbie Noonan's Child Care

Jan. 28-Feb. 1

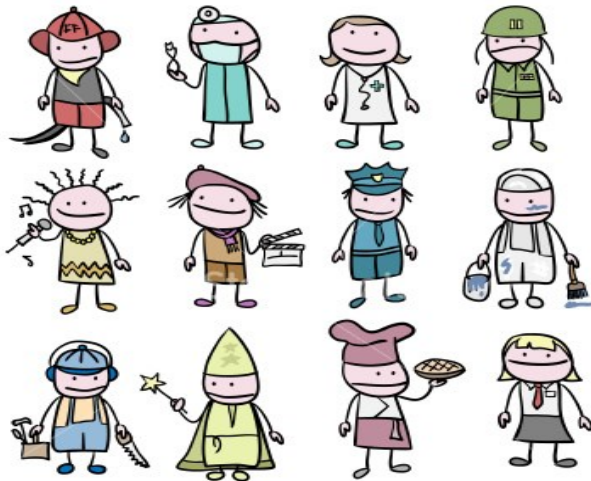

Week 24

## Topic: Community and Careers

### Concept

What does a baker use in his/her job? What does a firefighter use in his/her job? We will learn these facts and more . We continue discussing the people that make up our community and will concentrate on number concept. In Science this week we will discuss shadows as Groundhog day approaches.

**If you would like to come in and discuss your career with the Junior class, please contact one of the Junior staff.**

### Craft and Writing

The letters Oo and Pp will be introduced this week. Ms. Sam will be talking about different careers and what they do. We continue to work on our fine motor evaluations.

### Language Arts

Where do I go to look for a book? Who helps me when I get sick? Who teaches me the things I know? Where do I go if I run out of food? These are just a few of the people and places we will be talking about this week as we discuss our community and careers. We will role play different occupations using our dress up clothes. In addition to all this fun we will listen to many flannelboard stories. A new friend, Flat Stanley has been coming back to class! Be prepared to see all the places Flat Stanley visits. Please return Flat Stanley by January 29th.

### Motor

Mrs. Hollie will keep the children busy with a fun fire truck song & mailman scavenger hunt. The children will practice eye-hand coordination using the ball and wand along with a challenge of minds in motion.

**Special points of interest:**

- *Registration is now open to all currently enrolled students for Summer and Fall 2019*
- *February 18h and 19th—Parent Teacher Conferences—no pre-school classes on these days.*
- *1/2 price Registration for Fall. Register by Feb. 15th.*

### **What's new in the Junior Room**

- • • • •
- **Introductions:** •
- **Bits of Intelligence:** Flowers •
