Language Arts:

We will be discussing healthy children by discussing how to stay healthy and what activities are important to keep us feeling good. The children will listen to some flannel board stories like "Let's put on our coats" to learn about other ways to take care of our bodies. .

Concept

Who stole the cookie from the cookie jar? Each child will get a turn with this number review. The children will also sort healthy and unhealthy food as well as graph their favorite exercises.

Watch out for some water color fun as the children paint some healthy veggies and fruits. They will craft some teeth cleaning items and talk about how to keep their teeth clean. We will also continue to practice writing their letters., as well as tracing our new shapes.
