# Pre-K

Theme: Community Helpers

Week 24

Intro: 17 & 18

Jan. 28- Feb. 1

Fable #7- Dog and His Reflection

Moral: We should be happy with what we have.

## Language Arts:

Mrs. Melissa's class will discuss our theme of community. We will incorporate into our theme the different jobs held by our community helpers, such as postman, librarian, police officer, firefighter and more. Story time and puppet play will help enhance our theme.

## Community Helpers

*Have you registered for the summer and fall program? Registration opens to the public on February 15<sup>th</sup>, please get your forms in on time to avoid losing a spot.*

## Concept:

This week the children will be estimating various objects in the amounts of 10-20. We will also be busy comparing and contrasting different amounts of objects to see which pile has the most or the least. To end the week the class will participate in a weight experiment and we will work on spatial relations (over, under, next, to, etc.)

## Motor:

We will have a great time participating in a path activity using cardboard blocks and a jump rope. Those muscles will get a work out as the children learn to do both sit-ups and push-ups. The children will enjoy relay races wearing fireman and policeman hats. Who will win?

## Valentines Day Parties:

Wed., Feb. 13<sup>th</sup> & Thurs. Feb. 14<sup>th</sup>  
**(Valentines Day Dance Thurs. Feb 14<sup>th</sup> for children who attend this day.)** If you plan to send valentines, please label each envelope "classmate" or "friend" (10 per student is plenty)

## Craft & Writing

Readiness papers will require the children to cut and paste pictures in order to complete a pattern. Ms. Jen has a few community helpers papers planned to support our theme.
