Theme:
Colors

Introductions:
#3

Language:

During this week we will work on reviewing our colors. We will read stories about all the different colors and we will also learn the number 3.

Craft & Writing:

The children will be working on papers to reinforce our theme of colors and review the colors we know. We will also experiment with mixing colors! We will learn our new numbers this week by working on our papers.

Concept:

We will continue to work on shelf job activities. While we go over our color jobs it will also give the kids an understanding of each color.

Motor:

We will bring out the stair steps this week to help introduce the color ladder.

Have a good week!
Miss Kristina
